

# **2022 Covid Guidelines**

**Our 2022 season is about to begin and we want to thank you for being a part of it! As protocols are constantly changing we encourage studios to check our website an/or our latest email to you for details about each event. With every event, everyone that enters the venue must adhere to current State, Health & Venue recommendations at the time of each event, which will be posted and monitored. We ask that anyone experiencing flu like symptoms does not attend.**

**Dancers may be required to wear a mask on and/or off stage based on the venue/state requirements. Audience guests, teachers, etc., may also be required to wear a mask. Sanitizing stations will be available for use in the lobby & backstage areas.**

**7-10 days prior to each event your studio will receive a welcome email which will state the policies/guidelines for mask wearing at your event.**

**SCHEDULING: Our current plan is to run full schedule events, with dancers scheduled by age/category (pre-covid scheduling). Overall awards will be presented during the weekend once the category has been completed. Schedule requests will be accepted however, dancers must compete prior to their category overall awards to be included in their respective overalls. As always, if you have a request in terms of scheduling, please leave us a “note” in your dancecompnie registration. Your safety and comfort is our top priority.**

**We can ensure you that increased cleaning and sanitation efforts will remain in place, along with hand sanitation stations.**

**We can't wait to see your dancers on the stage in 2022!**

**Dance To Inspire Staff**
